

# Wastewater Interconnect Project from South to Central Advanced Wastewater Treatment Plants

## **Raleigh Street CLOSED between Michigan Avenue and Apache Street** **Beginning Tuesday, September 26, 2017** **Through traffic to follow detour**

**Beginning at 7 a.m. Tuesday, September 26, 2017.**

**Raleigh Street will be closed between Michigan Avenue and Apache Street  
for crews to install sanitary sewer force main.**

- 2nd Street residents located east of Raleigh Street will use the temporary Ford Street to access their homes.
- 2nd Street residents located west of Raleigh Street will use High Street to access their homes.
- Raleigh Street through motorists should follow detour signs.
- Resident of 1724 Raleigh Street – please park on Apache Street during this underground construction.
- Portions of Raleigh Street will be closed for the next two months while crews continue to install the force main south to Indian Street.

This closure will remain in place during daytime and nighttime/overnight hours until work is completed. This schedule may be subject to change due to inclement weather and unforeseen underground conditions. Drivers, bicyclists and pedestrians should use caution.

For additional information or assistance with alternate routes, please contact the City's public information consultant for the project:
