

## **Hanson Street Extension, Phase II**

from Veronica S. Shoemaker Boulevard to Ortiz Avenue

### **Construction Update Bulletin September 27, 2019** **REVISED DATE FOR TRAFFIC PATTERN CHANGE**

**TRAFFIC PATTERN CHANGE SCHEDULED FOR MONDAY, SEPTEMBER 30, BEGINNING AT 9:30 AM AFFECTING VERONICA S. SHOEMAKER BOULEVARD AND HANSON STREET.**

Motorists may want to seek alternate routes during the traffic pattern change timeframe. Traffic pattern changes are listed below:

- **Veronica S. Shoemaker Boulevard from Canal Street to Teeside Lane/Auger Drive** – All lanes will open to traffic.
- **Hanson Street between Ironbridge Boulevard and Veronica S. Shoemaker Boulevard** will open to traffic and the detours will be removed.
- **Hanson Street and Veronica S. Shoemaker Boulevard Intersection roundabout partial opening** of two lanes north and two lanes south on Veronica S. Shoemaker Boulevard; and Hanson Street west.
- **Hanson Street east of Veronica S. Shoemaker remains closed to through traffic.** Local traffic will be accommodated.

Closures will remain in place during daytime and nighttime/overnight hours. This schedule may change due to underground conditions and inclement weather. Motorists, bicyclists and pedestrians should use caution.

For assistance with driving through a roundabout, please visit the project website at [www.fortmyersutilities.com/projects/hanson-street-extension](http://www.fortmyersutilities.com/projects/hanson-street-extension) to view the "Modern Roundabout Video".

For additional information, please contact the City's public information consultant for the project:
