

City of Fort Myers **Road Watch Report**

Hanson Street Extension, Phase II from Veronica S. Shoemaker Boulevard to Ortiz Avenue November, 2019

The City of Fort Myers is building the second phase of the Hanson Street Extension from west of Veronica S. Shoemaker Boulevard to Ortiz Avenue. The project includes building new roadway, installing new sanitary sewer force main and potable and reclaim water mains. The Hanson Street Extension project also includes six-foot sidewalks, seven-foot bike lanes, and two roundabouts. One roundabout will be located at the Hanson Street and Veronica S. Shoemaker Boulevard intersection and another will be located at the Hanson Street Extension and Ortiz Avenue intersection. The project is anticipated to be completed at the end of 2020.

HANSON STREET EAST OF VERONICA S. SHOEMAKER BOULEVARD REMAINS CLOSED TO THROUGH TRAFFIC. Closure will remain in place during daytime and nighttime/overnight hours.

ORTIZ AVENUE NORTH OF VINCE SMITH DRIVE – Crews are clearing the right-of-way east of Ortiz Avenue. Motorists should expect trucks entering and exiting roadway.

This schedule may be subject to change due to inclement weather and unforeseen underground conditions. Motorists, pedestrians and bicyclists should use extreme caution.
