

Hanson Street Extension, Phase II from Veronica S. Shoemaker Boulevard to Ortiz Avenue

The City of Fort Myers is building the second phase of the Hanson Street Extension from west of Veronica S. Shoemaker Boulevard to Ortiz Avenue. The project includes building new roadway, installing new sanitary sewer force main and potable and reclaim water mains. The Hanson Street Extension project also includes six-foot sidewalks, seven-foot bike lanes, and two roundabouts. One roundabout will be located at the Hanson Street and Veronica S. Shoemaker Boulevard intersection and another will be located at the Hanson Street Extension and Ortiz Avenue intersection. The project is anticipated to be completed at the end of 2020.

ORTIZ AVENUE

- **Two lanes of traffic are maintained on the east side of the Ortiz Avenue with one lane in each direction from Bruce Herd Lane (Eastwood Golf Course entrance) north one mile.**
- **The speed limit has been reduced to 20 mph through the Ortiz Avenue future roundabout.**
- The multiuse path on the west side of Ortiz Avenue is open. Crews have installed a temporary diversion around the construction.

Motorists, pedestrians and bicyclists should use extreme caution.
