

## **Road Watch Advisory for the City of Fort Myers**

### **Linhart, Magnolia, Holly Utility Rehabilitation Project November 2020**

The City of Fort Myers is scheduled to replace water mains and sanitary sewer pipe and install some storm drainage on the following roadways:

Linhart Avenue (Cortez Boulevard to U.S. 41)	Maple Avenue
Magnolia Street	Sunset Road (Linhart Avenue to Hanson Street)
Holly Road	Sanders Street
McCann Street	Nelson Street (Linhart Avenue to Hanson Street)
Hanson Street (just east of Holly Road to Sunset Road and Nelson Street to U.S. 41)	

The project also includes new sidewalk on side streets and will replace sidewalk disturbed by the construction. The project is expected to be complete in early 2022.

#### **Linhart Avenue**

Crews are expected to start work on Linhart Avenue at Cortez Boulevard and work east toward U.S. 41. Linhart Avenue will be closed to through traffic during construction. Through motorists should follow posted detour signs. Local traffic will be accommodated.

Residents and businesses may need to access your property from a different direction. Some sidewalks may be closed during the project. Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering/exiting streets in the project area. This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For more project information, contact the City's public information consultant, Cella Molnar & Associates, Inc. at 239-337-1071 or via e-mail to [info@fortmyersutilities.com](mailto:info@fortmyersutilities.com).
