Updated information will be shown in orange

## Construction Update

In June 2021, contractors for the City of Fort Myers started construction on the East Water Storage Tank and Pump Station. The project is expected to be completed in November 2022.

Construction activities include:

### General Site

- Maintain the dewatering system

### Water Storage Tank

- Tank and vault wall formwork and reinforcement
- Monday, 1/3 and Wednesday, 1/12 nighttime/overnight work has been cancelled and will be rescheduled.

To view an updated time lapse video of the East Water Storage Tank and Pump Station construction, visit the project webpage at [www.FortMyersUtilities.com](http://www.FortMyersUtilities.com).
