

# Sunset Road, Sunset Place and Nelson Street Utility Replacement and Drainage Rehabilitation Project

## Coronado Road Westbound Lane Closure April 1, 2022

The City of Fort Myers is replacing sanitary sewer and water main and adding or replacing sidewalks on the following streets:

- **Sunset Road (Hanson Street to Sunset Place)**
- **Sunset Place (Sunset Road to Cleveland Avenue)**
- **Nelson Street (Sunset Place to Coronado Road)**

**Coronado Dog Park will be closed beginning April 4 through June 3** for underground connections.

**Beginning Tuesday, April 5, Coronado Road westbound lane will close from the west end of Coronado Park to Nelson Street** while crews connect to sanitary sewer within the Coronado Dog Park and continue the new installation north to Nelson Street.

- Through traffic should follow detour signs.
- Residents may need to access their driveway from a different direction.
- This closure is expected to remain in place through the end of April.

Some sidewalks may be closed during the project. Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering/exiting streets in the project area.

This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For more project information, contact the City's public information consultant, Cella Molnar & Associates, Inc. at 239-337-1071 or via e-mail to [info@fortmyersutilities.com](mailto:info@fortmyersutilities.com)
