Updated information will be shown in orange

## Construction Update

In June 2021, contractors for the City of Fort Myers started construction on the East Water Storage Tank and Pump Station. Crews are working Monday through Friday and some Saturdays. The project is expected to be completed in November 2022.

Construction activities include:

### General Site

- Beginning Tuesday, July 5, crews will begin to dismantle the dewatering system.

### Water Storage Tank

- Complete storage tank finish work and aesthetics

### Electrical Building

- Complete inside painting
- Install the following items:
  - Stucco
  - HVAC
  - Equipment
