

# McGregor Boulevard Resurfacing

Manuels Drive to Cleveland Avenue (US 41)

October 13, 2022

Contractors for the City of Fort Myers are scheduled to mill and resurface the existing McGregor Boulevard roadway from Manuels Drive to Cleveland Avenue (US 41). This project will also replace and maintain some water line and drainage and replace existing concrete sidewalk and curb where disturbed due to the project. Additionally, this project will upgrade street signs and provide pedestrian crossing improvements. The project is expected to be completed in summer 2023.

For project information visit the project website at [www.ImproveMcGregor.com](http://www.ImproveMcGregor.com).

For questions or concerns during construction, please contact the City's Public Information Consultant, Cella Molnar & Associates, Inc. via phone at (239) 337-1071, toll-free at (877) 496-1076 or via email to [info@ImproveMcGregor.com](mailto:info@ImproveMcGregor.com).

Updated information will be shown in orange.

The contractor is ready to proceed on this project after the Hurricane Ian storm debris has been removed from the road right-of-way. They are coordinating with the City of Fort Myers and monitoring the project area regularly.

Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering/exiting streets in the project area.

This schedule may be subject to change due to inclement weather and unforeseen underground conditions.

The City of Fort Myers | 1631 Hendry Street, Fort Myers, FL 33901
