Updated information will be shown in orange

Construction Update

In June 2021, contractors for the City of Fort Myers started construction on the East Water Storage Tank and Pump Station. Crews are working Monday through Friday and some Saturdays. **The City of Fort Myers expects this facility to be operational at the end of December 2022.**

To view an updated time lapse video of the East Water Storage Tank and Pump Station construction, visit the project webpage at www.FortMyersUtilities.com.

For project information contact the City's public information consultant, Cella Molnar & Associates, Inc. at 239-337-1071, visit the **"Contact Us"** page on the project website to sign up for email updates and construction information at www.FortMyersUtilities.com, or email info@FortMyersUtilities.com.
